

Your Score Matters

Your GMAT exam score is an important aspect of your business school application because it helps you:

Stand out in competitive admissions

Demonstrate your **readiness** for the rigors of business school

Open doors to more **scholarships**

The GMAT Score Scale

The GMAT total score scale ranges from 205 – 805 and is based on your performance on all 3 sections of the exam:

Quantitative Reasoning
Problem-solving skills

Verbal Reasoning
Critical thinking skills

Data Insights
Data literacy skills

This means your GMAT score represents your business aptitude and the skills you need to succeed in a management career.
